1.13 MINOR BREACH OF LICENSE

When purchasing the license of the font software, we trust the user or licensee to truthfully present the usage (installation on number of computers, page views per month or application downloads) to Colophon Foundry that will relate to the appropriate tier.

The licensee must also ensure that the tiers are not breached in terms of usage of the font software. If they are, licensees are advised to preemptively purchase an upgrade license from Colophon Foundry.

We occasionally contact companies or brands that we believe have exceeded these quotas. If the tiers have been exceeded this is a minor breach of this license agreement between the licensee and Colophon Foundry.

The licensee agrees to correct the breach within 7 (seven) days of written communication via email or post is received. If the breach is NOT corrected then Colophon Foundry reserves the right to withdraw licensing, and ask all materials (print, digital, application, broadcasting) are destroyed that utilising the breached software.

To correct the breach, the licensee will upgrade to the appropriate tier(s), settling the appropriate bill within 7 (seven) days and distribute the new licenses internally to supersede all other versions of the Font Software utilised.

1.14 MISUSE OF FONTS

Use of fonts without license or adequate licensing will require a license to be paid for the usage of the font software retroactively.

AS & EH Partnership Ltd reserves the right to charge as it sees fit for time, expenses and legal work undertaken.

1.15 WARRANTY

Colophon Foundry warrants that the software will work for 30 (thirty) days after purchase. Due to the ever evolving and changing nature of technology we cannot confirm it will work on every platform.

Our font software is engineered to be of the highest compatibility with external software, however we cannot guarantee about the compliance and on-going compliance of external hardware and software manufacturers.

We cannot promise the software is error free, and is constantly being updated. Please ensure you are using the latest versions of our font software at all times.

You are able to receive a free upgrade of the license you have purchased (to that of the same production standard — STD or PRO). Simply login to

4 THANK YOU

Thank you for supporting our business with the purchase of the appropriate license. We hope you enjoy using our font software.

ABOUT COLOPHON FOUNDRY

Colophon is an international, award-winning type foundry based in London (UK) and Los Angeles (US). We create, publish, and distribute high-quality retail and custom typefaces for analog and digital media.

Since 2009, Colophon has tasked itself with producing fonts that are composed with aesthetic and technological care, prompting a reputable library of new classics that couple typographic history with contemporary sensibilities. In tandem with its own designs, the foundry hosts original typefaces drawn by influential practitioners from varied design disciplines. The resulting catalogue offers graphic designers and users-of-type a series of indelible digital tools, each with a distinct typographic identity.

In addition to the offerings in our retail inventory, we accept commissions for custom fonts, font families, and logotypes, as well as tailored / bespoke versions of our existing typefaces, including language extensions.

Colophon Foundry's self-initiated and commissioned work in type design is complemented by independent and collaborative initiatives in publishing, editing / curation, exhibition-making, and teaching, with a focus on local and international partnerships with institutions of all sizes.
